ATTN: Mr. Alen Eddy, Executive Director  
436 Court Street  
Plymouth MA 02360

Dear Mr. Eddy:

The Cape Organization for Rights of the Disabled (CORD) is the independent living center serving people with disabilities on the Cape and Islands. Each year, we provide individual services to over 320 consumers and information and referral to over 1200 others.

As you may know, this past summer CORD partnered with JTEC to provide job training to youths with disabilities with the use of American Recovery and Reinvestment Act funds. Habilitation Assistance Corp. played a key role in this project by transporting youths to their training sites.

Thank you for participating in this important project to increase the employability of our youths on the Cape. With your help, more young people with disabilities are able to face the world of employment.

I look forward to partnering with you and Habilitation Assistance Corp. again.

Sincerely,

Coreen S. Brinckerhoff  
Executive Director
