Dear Mike,

Thank you so much for your donation to our "Raise the Roof" for Habitat gala. Airport transportation by limo was a very much sought after item by the bidders and something we all need.

Our annual gala event helps to enable the dream of home ownership become a reality for those in need in our community. With our current build almost complete, we have come another step closer to our mission of providing a "simple, decent place to live" for families in need. The Howlett family will be our eighth family served. Every home is completed at no profit to Habitat and the families' mortgage payments invest in other builds to serve additional families. Our sole purpose is to provide affordable housing to as many families as we can.

Thank you again for your continued support. It makes a difference and is greatly appreciated by all of us at Habitat.

Sincerely,

*Susan*
