Mike Eddy, Proprietor
Access Express
436 Court St
Plymouth, MA 02360

Dear Mike,

Thank you for helping with transportation for our Plymouth Area Lock-Up event held May 17th at T-Bones Road House. Over 50 Business Leaders from the Plymouth and Kingston area raised over \$24,000 for local area families affected by muscle diseases.

All proceeds from this event will be donated to the Southeastern Massachusetts Chapter of the Muscular Dystrophy Association. MDA provides orthopedic appliances, free clinic visits, youth summer camp sessions, support groups and hope through neuromuscular research to over 400 families in this area affected by 43 different types of muscle diseases.

The donation of your time and vehicle makes the "arrest" of our "Jailbirds" all the more enjoyable for those that participate and really helps with the experience of the event. We appreciate your kindness and hope you will consider us again when we return to the area in 2013!

Warm Regards,

Melanie Britto
