Dear Mike,

On behalf of the staff and clients of Plymouth AIDS Support Services, we would like to express our deep appreciation for the gift of your services for our recent Client Appreciation Day celebration. The event was a complete success and our clients were delighted with the transportation donated by you.

Plymouth AIDS Support Services is a 503-B Non Profit Organization. As such, we would like to offer you a letter acknowledging the worth of the services donated to our program by you for any tax deductions for which you may be eligible. Please contact me via the information below, if this is something you would like me to send.

Again, many thanks for all that you contributed to make this such a special day.

Sincerely,
