A Full Life Ahead

A series of monthly workshops designed for parents and caregivers as they plan for the future of their loved one with a disability. Various workshop topics such as friendships, transition, employment, housing and financial planning are offered. The workshops and resources provided in this series will help lead to interdependent, full lives in the community for people with disabilities.

“Planning for the Good Things of Life”

The future starts now! Join us for a lively discussion about life as an adult for our sons and daughters. What can we do NOW to ensure the “good things of life” are accessible for our children? Parents of young adults who have made that leap, or are preparing to, will share their experiences of what the journey is really like and what they’ve learned along the way.

Please RSVP to Amy Cornell @ amycornell@nemasketgroup.org or 508-999-4436
